To all Builders at Waterbridge,

With the recent change in the on-site HOA management, a drop box, marked “Builders”, has been set up at the amenities center at Waterbridge. Effective immediately, please drop off the deposit / bond checks with the signed “WATERBRIDGE CONTRACTOR BUILDER AGREEMENT INFORMATION, RULES, FINES - October 21, 2021, Edition” (pages 13 to 15 of guidelines) in the Builders drop box.

The initial “APPLICATION TO COMMENCE DESIGN REVIEW” (Page 2 of the guidelines) and the architectural review fee will still need to be mailed to Richard Alsop as detailed on page 1 of the guidelines. Also, for all other documents required for the architectural review, you will continue to upload them on the ARC Review Portal.

Thank you,
Architectural Review Committee
